We are pleased to invite you to the **2nd Annual ODU CyberOPS 2018**. This year's theme is **Cybersecurity: An Ocean of Opportunity in Hampton Roads**. The goal of **ODU CyberOPS 2018** is to provide a forum for students, faculty, business, military and government stakeholders in the many Cybersecurity sectors in Hampton Roads to network, share ideas, learn about workforce & economic development opportunities, and especially to encourage the next generation of Cybersecurity professionals.

Co-sponsored by **ODU's Center for Cybersecurity Education & Research, the Virginia Cyber Alliance and the ODU Cybersecurity Student Association**, the **2nd Annual ODU CyberOPS 2018** will feature a one-day conference:

**Cybersecurity: An Ocean of Opportunity in Hampton Roads**  
**Friday, October 19, 2018 from 8:30am-3:30pm**

Taking place on the campus of ODU in Norfolk, VA, the conference will be presented free of charge. This conference is for you if you are a:

- Student interested in Cybersecurity internship/employment opportunities;
- University faculty in criminal justice, psychology, ethics, law, computer science, or any other cybersecurity-relevant field;
- Business, industry, military, or city/municipal leader in Cybersecurity;

This year's Conference will feature an Intern/Apprentice panel to showcase students' professional development experiences, and a Workforce & Economic Development panel to explore the economic impact of Cybersecurity in Hampton Roads. The luncheon will feature a keynote speaker. A Research Roundtable will be presented in the afternoon to highlight cutting edge research in Cybersecurity, facilitate networking, and explore opportunities for collaboration. **Visit [www.odu.edu/ccser](http://www.odu.edu/ccser) to register.** Contact Liz Smith ([exsmith@odu.edu](mailto:exsmith@odu.edu)) about sponsorship opportunities.
